1. Sittin‘ in the car in the small wood
He showed how totally unsuspecting he was
And he never lost one minute of sleepin‘
Worryin‘ ‘bout the way and he doesn‘t seen.

Ref. Big wheel keep on turnin‘
Proud Butz keep on burning
Rollin‘, rollin‘ rollin‘ in the fire.
Rollin‘, rollin‘ rollin‘ in the fire.

2. Drove a lot of miles to Frankfurt
Pumped a lot of coffee in Nettebergeland
But he necver saw the fire in the small wood
Till he hitched a ride on a FireCarSaab.

Ref. Big wheel keep on turnin‘ ...

3. If he come down to Netteberge
Bet you gonna find some people amazed
You don‘t have to worry cause you have no money
People in the wood are happy to help.
